

DO NOT FLUSH!

A Jingle Bells-Inspired Reminder to Always Check the Symbol Before You Toss or Flush!

Dashing to the loo,
We grab a wipe so fast,
But take a sec to check
The label on the pack.
Look for the little sign—
It's telling you the rule:
If "Do Not Flush" is printed there,
The trash is what you'll use!

Oh, Do Not Flush, Do Not Flush,
Check the pack each day!
If the symbol's on the label,
Trash that wipe today - hey!
Do Not Flush, Do Not Flush,
Keep the pipes okay—
When the symbol says "Do not flush,"
Then throw that wipe away!

Wrong wipes down the drain
Can cause a messy sight;
They can tangle, twist, and clog—
A sewer's worst delight.
But you can stop the mess,
It's simple what to do:
Just look before you toss a wipe
And keep the water blue!

Oh, Do Not Flush, Do Not Flush,
Check the pack each day!
If the symbol's on the label,
Trash that wipe today - hey!
Do Not Flush, Do Not Flush,
Keep the pipes okay—
When the symbol says "Do not flush,"
Then throw that wipe away!
